## VACANCY FOR A PARISH COUNCILLOR

March 2025

### BURFORD PARISH COUNCIL

**There is a vacancy on your local Parish Council and we are inviting you to step up and become a Parish Councillor.**

#### **What do Councillors do?**

Local Councillors are the champions of their community who invest time in local projects and issues to the benefit of residents and the neighbourhood.

#### **How could I contribute?**

As a Councillor representing your community, you will help to keep it a great place to live.

Councillors individually, can and should be very different in their skills base, experience and work status, all of which contribute to a good and balanced representation of the Parish. The ability to take the initiative, be creative and have time to give to the role are all very important aspects of being a good Councillor.

#### **What is the level of commitment?**

A Councillor Census Survey found that Councillors put aside, on average, three hours a week for council work. Council work often includes attending meetings, engaging with residents and speaking to local groups and bodies on behalf of the council.
