APPENDIX A – Chair's Report

We have had another very busy year trying to improve facilities for the Council.

We have installed a new bin on Boraston Lane which has been a great success.

We have received an anonymous donation which we have given to the Village Hall to install a defibrillator as a joint venture.

We have tried to update the lights to LEDs when lamps need replacing.

We have applied for a lottery grant to hopefully complete the play area with a slide and also for a low level fence across the car park to stop cars driving across the playing field.

I would like to thank my fellow Councillors for their support together with our Clerk, Carole Hirst, who has resigned at the end of December and also Lesley Jenkins for taking over as a Locum Clerk for three months. We look forward to working with Gaynor Long as our new Clerk.

We hope to continue to improve facilities within Burford over the next year.

APPENDIX B – Village Hall Report

An AGM was held during April 2024 with same positions held as previous year.

The hall has made a small loss for the financial year, however, it has had a lot of much needed repairs carried out and solar panels fitted.

The hall is still regularly used by local groups and is available for private bookings too.
